Reference: Year End Report (7/1/01-12/31/01)

Dear Mr. Young:

This letter is in response to your request for additional information, dated May 10, 2002, in reference to the Committee to Elect McHugh Year End Report (7/1/01-12/31/01).

You indicate that Schedule A discloses three contributors who are in excess of the limits set forth in the Act. These contributors have each been refunded as follows:

Robert Abraham refunded \$1000 on 4/19/02

Vera Abraham refunded \$500 on 4/18/02

Steven Cayne refunded \$1000 on 4/19/02

These contribution refunds are itemized on the Committee's July 15, 2002 Quarterly report, which was filed July 14, 2002.

The Committee to Elect McHugh is aware of the regulations requiring the excessive contributions to be either refunded, reattributed to another contributor, or redesignated to another election within sixty days of receipt. Thank you for bringing these excessive contributions to the Committee's attention, but they had each been refunded before your letter was sent.

You indicate that Schedule A discloses contributions and disbursements designated for the Primary 1998 election. I was unable to locate any of these transactions. All transactions marked as Primary are designated for the 2002 Primary and all transactions designated as General are for the 2002 General. Operating expenditures on Line 17 are not required to be designated to a specific election cycle.

Should you have any further questions, please do not hesitate to contact me.

Sincerely,

Dana L. Johnson
Treasurer
